

# WHAT WE DO

Powered by five decades of experience, lasting partnerships, client relationships, and the values guiding us daily, MicroAge helps your organization secure, accelerate, and transform your business. Here's what makes MicroAge different.

## HISTORY

Our roots can be traced back to 1976 when founder Jeff McKeever launched one of the first computer stores. MicroAge has moved quickly with changes in technology to evolve from a reseller to a complete digital transformation company.

## VISION

At MicroAge, we're in the relationship businesses. We attract experienced, tech-savvy associates who know the power in connections.

## MISSION

We're committed to helping you achieve your goals and maintain a competitive edge, even in a constant state of disruption.

## VALUES

Our values have fueled the MicroAge culture from the beginning to propel our relationships with associates partners and clients, and results—further.

- Add value to everything we do
- Respect our relationships
- Act with integrity
- Make things happen
- Do it right the first time
- Have fun!

## INDUSTRIES

Every organization must transform into a technology company to remain competitive—no matter how you serve your customers. MicroAge supports organizations across verticals with deep expertise and certification in HIPAA, legal and PCI compliance.

## DEEP CERTIFICATIONS

At MicroAge, we empower our associates to keep learning to help you navigate your challenges. Our experts have experience and deep certifications including hundreds of partner certifications.

## SOLUTIONS

Every solution is tailored to meet your unique business requirements. With our commitment to “objective expertise,” you can rest assured that your MicroAge account executive will listen to your needs, research options and design a solution that best addresses your challenges, budget and plans for growth. We do it all, including:

- Hyper Converged Infrastructure
