

# Partner Brief: Hewlett Packard Enterprise

To thrive in a fast-changing business climate, strong companies know they must be nimble enough to adapt and change. With the transformative power of Hewlett Packard Enterprise (HPE) and MicroAge's commitment to the right solutions, we're ready to help your business win big.

## We're Stronger Together

MicroAge prides itself on the strong relationships we have cultivated with all the big names in IT, like our long-time relationship with Hewlett Packard. Today, we're proud to continue that trusted relationship with Hewlett Packard Enterprise. Its brand promise—"together we propel your business further"—means that working with MicroAge comes with the added benefit of ensuring you go farther with the right IT solutions.
