

# Working at MicroAge: Where you are our smartest investment

MicroAge combines a powerful mix of technology services backed by vendor-certified engineers and an acclaimed panel of experts to deliver the competitive edge technology necessary to lead in a disruptive, digital environment. At MicroAge, our experts set us apart in a crowded and fast-moving industry. Our award-winning culture puts people first with recognition, trust, and transparency.

## UNLEASH YOUR POTENTIAL

- Earn up to 50% of gross profits with uncapped commissions (new Account Executives earn up to 75% of their GP within their first year)
- Enjoy the autonomy to build out your unique selling strategy, client approaches, and book of business nationwide without industry, regional, or vendor limitations.
- Harness experts, coaches, trainers, engineers, and sales enablement—backing your every move
- Make powerful business connections with face-to-face client meetings and the ability to travel

## MAKE AN IMPACT

- Get rewarded with our recognition program—including MicroAge accolades and annual awards ceremony, company-paid trips for high performers, regular raffles, drawings, and interactive, live events with food delivered on-demand to your door
- Thrive in a culture of collaboration where team members share their wins and organizational stability and empowerment support the industry's lowest turnover
- Build first-name relationships with an experienced, supportive executive team

## FIND A BALANCE

- Discover work-life balance with unlimited vacation time and a flexible schedule
- Get involved in our fitness program, including eligibility for gym reimbursement
- Plan ahead with access to healthcare plans with Medical, Dental, and Vision options, 401K plan, and our financial advisors

Work for an award-winning total technology solution provider with a culture hailed every year for nearly a decade.
