

HOW MUCH TIME ARE YOU SPENDING ON RENEWALS?

Digital transformation is changing the way organizations everywhere invest in technology. Avoid unplanned auto-renewals and late payments while keeping all your IT investments aligned with your organization's evolving technology strategy. With MicroAge, you have one point of contact to manage all your software and hardware renewals.

MicroAge Renewals offer simplified and efficient renewal management.

With MicroAge Renewals, you can:

- Spend less time on renewals—freeing your team up for high-impact digital transformation initiatives.
- Protect your business from unplanned costs, re-certification fees, time and maintenance, and late payment with a renewal strategy across all your organization's infrastructure and technology.
- Enjoy lower renewal costs with MicroAge's higher buying volume discounts.

What's the MicroAge difference?

Let MicroAge guide your technology investment strategy with more than four decades of IT experience. Our experts have deep knowledge and certifications to support you in navigating infrastructure decisions for your business needs. Every MicroAge team member is dedicated to our value of getting it right for our clients the first time.
