

MicroAge Staff Augmentation Services

Boost Your IT Capabilities

Empower Your Team with Flexible Workforce Solutions

At MicroAge, we understand the importance of having the right team in place to drive your IT projects forward. Our Staff Augmentation Services provide you with access to over 70,000 highly skilled technical professionals, ready to support your business needs from coast to coast.

With MicroAge's Staff Augmentation Services, your organization realizes benefits such as:

- **Streamlined Candidate Selection:** Spend significantly less time qualifying and filtering candidates.
- **Improved Placement Efficiency:** Achieve a higher candidate-to-placement rate.
- **Accelerated Onboarding:** Experience an easier and faster onboarding process.
- **Cost Efficiency:** Benefit from overhead cost savings.
- **Simplified Budgeting:** Enjoy simplified budgeting with Staff Augmentation as an operating expense.
- **Risk Mitigation:** Reduce risk if a candidate doesn't work out.
- **On-Demand Talent:** Access talent flexibly based on your needs.
- **Contract Flexibility:** Hire or terminate at the end of the contracted term as needed.

Strengthen your team & achieve more with MicroAge.

MicroAge provides access to:

Experienced Professionals: Our technical experts are CCNA certified, A+, background-checked, and come equipped with their own tools. We ensure that you have the best talent working on your projects.

Nationwide Coverage: Whether you need support for a single project or multiple locations, our nationwide availability ensures that we can accelerate your IT projects with precision and accuracy, no matter where your locations are.

Flexible Solutions: We offer solutions for both single and multi-site IT projects, including preplanned engagements for onsite services such as office and data center moves, break/fix, cable drops, workstation setups, rack and stacks, and access control.

THE MICROAGE DIFFERENCE

Established Expertise

With highly skilled and motivated individuals, MicroAge stands out as an IT consulting and services provider unlike any other.

Simplicity is the goal

We simplify complex challenges and strive to thoroughly understand your organizational needs and goals.

People-Centric Philosophy

We believe in the power of people and know that being proactive and responsive is essential.

Strong Relationships

The relationships we build are as strong and important as our commitment to your growth.
